

# FINAL RESULTS

- Baseline report and innovative training curriculum, including 8 training modules and a Waste education guide for adult educators and teachers
- A Zero Waste Circular Economy Adult Training ToolBox
- A Policy Library, best European policies on Zero waste CE and startups, policy advice from partners and stakeholders
- A Business and Entrepreneurship Manual for zero waste CE
- A ZeroWaste European Handbook

## LEARNING PLATFORM

Available on the project's website (<https://zerowaste-project.eu/>). Upskill yourself with the ZeroWaste Learning Material!

## ABOUT THE PROJECT

The project "Building adult competences in Zero Waste Circular Economy in Europe" (ZeroWaste) is a not-for-profit Erasmus+ project, which aims to explore the current state of development of the zero-waste circular economy in the EU zone and develop educational tools and encourage behavioural change to encourage the zero waste circular economy and the development of zero waste smart cities.

## ZEROWASTE PROJECT

*BUILDING ADULT  
COMPETENCES IN ZERO  
WASTE CIRCULAR  
ECONOMY*

Swideas 

Co-funded by the  
Erasmus+ Programme  
of the European Union

# PROJECT AIMS

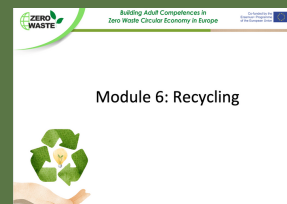

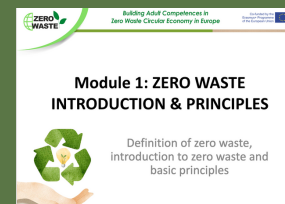

- to identify the current state of development of zero waste CE in the EU zone,
- to create an innovative curriculum and design a guide to increase the competences of the adult learners on zero waste CE,
- to show the self-employment, job and entrepreneurship opportunities of the model.

# TARGET GROUPS

- Adult trainers (primary),
- Municipalities,
- SMEs,
- Entrepreneurs and professionals interested in starting a business in a CE context.
