*Young Women's leadership for Collaborative  
Sustainable Communities*

**HARVEST ANALYSIS FROM LOCAL WORKSHOPS AND SURVEYS**

# PARTICIPANTS

01

## WORKSHOP

Total number of participants:

44

12		SWEDEN
09		ITALY
13		LUXEMBOURG
10		GREECE
10		HUNGARY

## SURVEY

Total number of participants:

84

16		SWEDEN
22		ITALY
16		LUXEMBOURG
15		GREECE
15		HUNGARY

# Collective Impact

**What we offer** for women empowerment and sustainable communities

space for **education & information**

mentoring, educational programmes, inspiration programmes, front line work on women's reality

space for **inspiration**

women's groups, mentoring, sharing stories

space for **connection**

networking

**advocacy**

activism, representation, initiatives for promotion, campaigns, policy changes, changing language to be inclusive

**support**

women's groups, women's unions, victims, first line work, presence on the ground, standing up against sexism

**What we get** in return from our work

**trust**

from our communities

**research opportunities**

within our network, communities

**fulfilment**

from our every day work

# BARRIERS

we face in our work and doesn't let us have more impact

# IDEAS

how should we work for these barriers?

## Advocacy:

activism, advocacy, be a pressure group to influence policy, laws change, more protective laws

## Work with all genders / proffesionals:

engage men, educate men, talk about toxic masculinity, educate how to manage roles / relationships, change our every day vocabulary

## Education:

work with children, start educating from an early age, change education from the roots, gender and sexual education

## Organizations' coordination:

coordinate organizations, discuss between networks

## Other:

expose films, music, etc. on prototypes, be more inclusive, events about multiculturalism, campaigns for stereotypes in work, house roles

# IDEAS

how should we work for these barriers?

05

part

structural problems  
sexist laws  
gender gaps in salaries and work positions  
internalized patriarchy  
stereotypical differences  
sexism  
not man  
in position  
power

family planning  
family roles

not having  
the right  
methodologies

local issues

**Inspiration:**

share women stories, women stories show that they are not alone, raise awareness on female leadership, ted talks, inspiration

**Connection / Networks:**

create more opportunities for rural and minority communities, create communities, connect with women who don't know they need empowerment

**Organizations' coordination:**

discuss between networks

**Other:**

coaching in workplace, support skills and talents

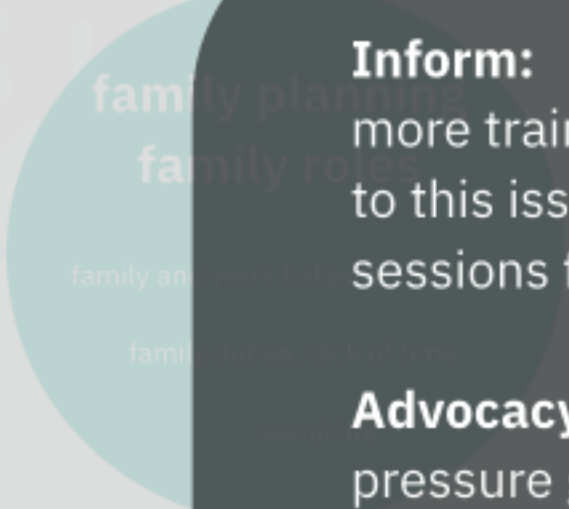

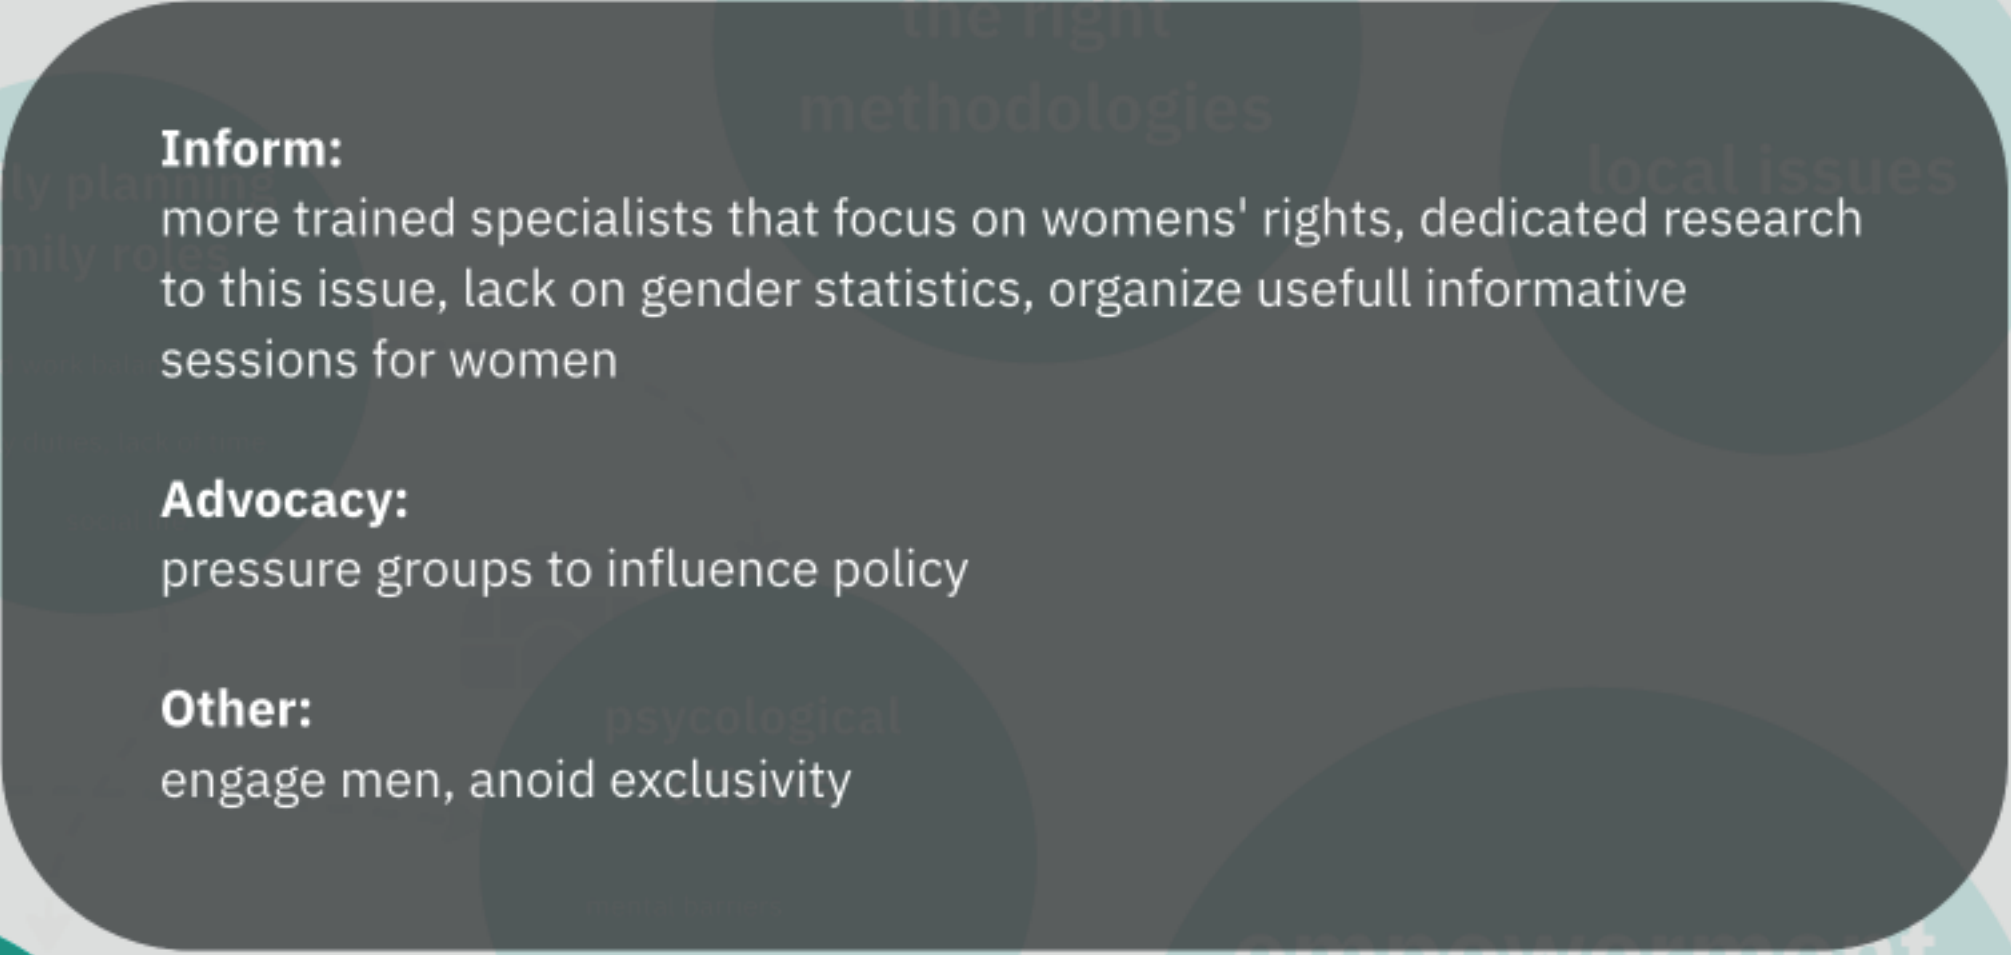

## empowerment

- lack of empowerment
- lack on education
- lack on information
- support women

# IDEAS

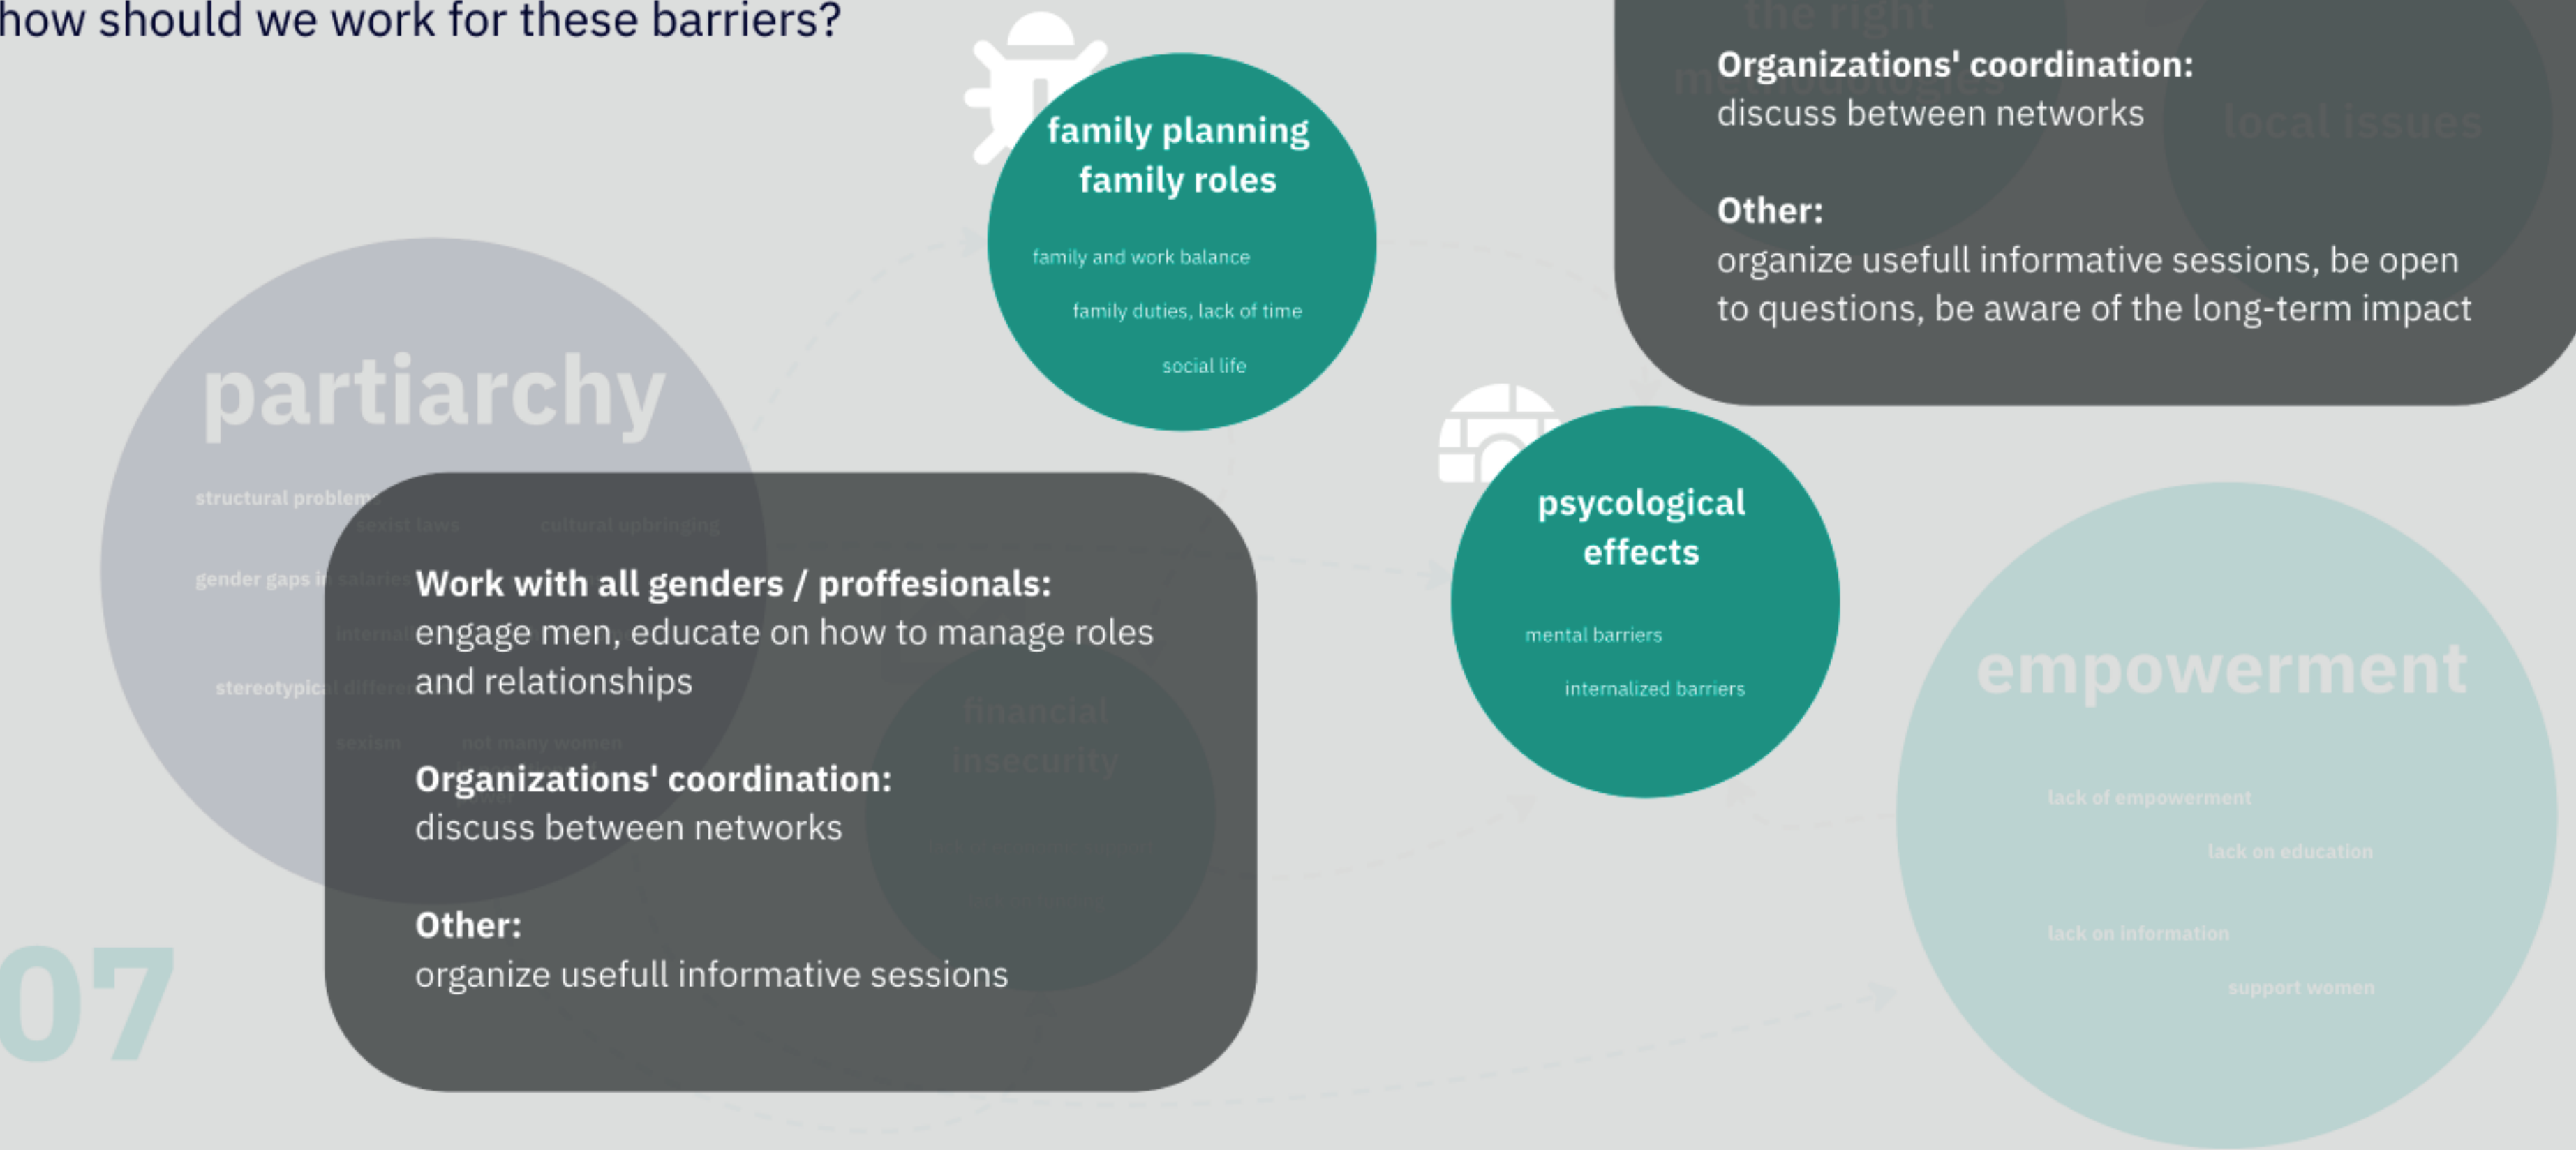

how should we work for these barriers?

# IDEAS

how should we work for these barriers?

# IDEAS

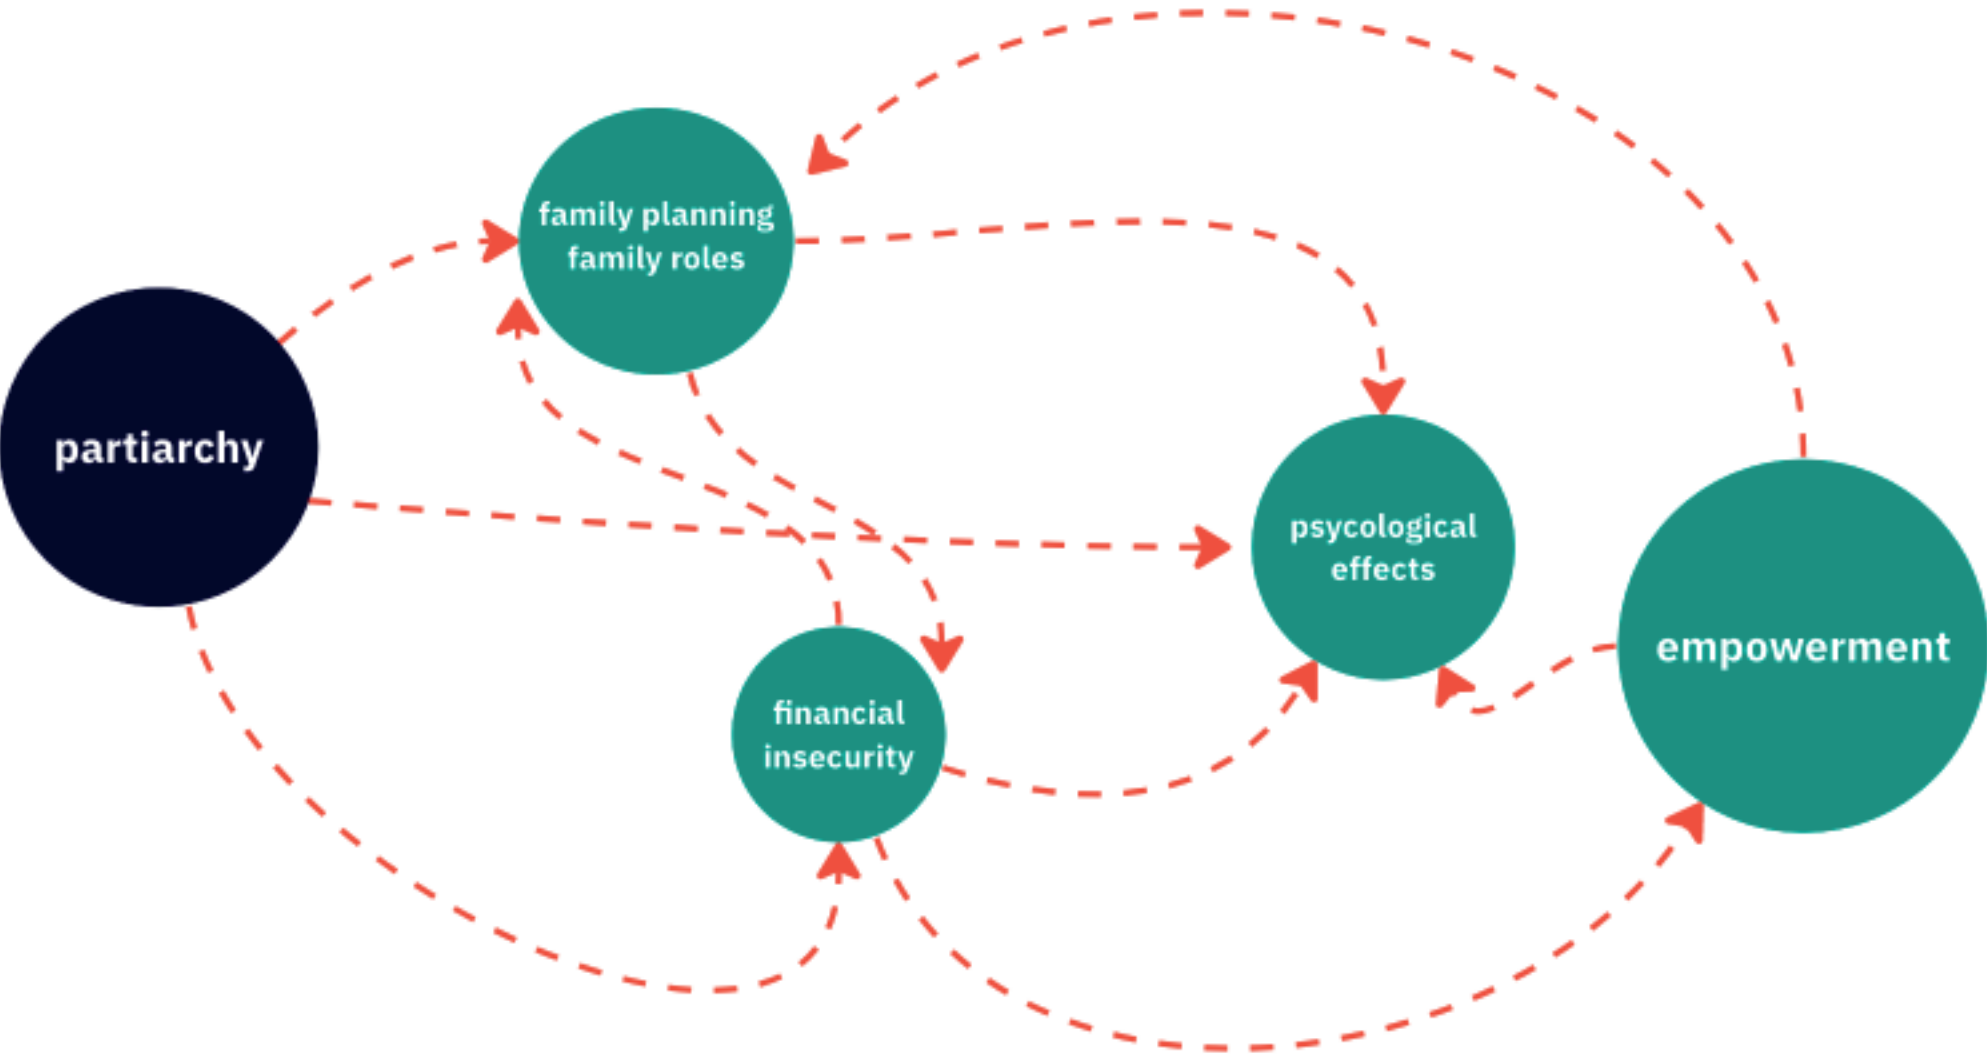

how should we work for these barriers?

08

# IDEAS pattern

where should we focus?

**Organizational Coordination:**

**Advocacy:**

we find this in **4 times**  
(Partiarchy, Financial Insecurity, Empowerment, Psychological effects)

we find this **2 times**  
(Patriarchy, Financial Insecurity)

**Support / Inform / Educate / Connect / Inspire:**

we find this **4 times**  
(Partiarchy, Financial Insecurity, Family planning, Psychological effects)

**Work with all genders:**

we find this **2 times**  
(Patriarchy, Family planning)

# Inspiration

How do we think women get inspired?

31 it's a **personal process**

18 via **role models and examples**

12 via **social media**

this answers to the how, we can assume that the reference to the what goes out to role models and examples

How would you approach women to inspire them?

36 **ACTIVITIES** create a **space for discussion**

14 **COORDINATION** via **social media**

04 promote **role models**

**ACTIVITIES**

# Women and Sustainability

Would women as entrepreneurs embed more environmental protocols?

**40** yes, they would

**24** no, they wouldn't or/and its a stereotype

**11** not sure

this could be added to "no"

Most common environmental issue women work with

ACTIVITIES

**25** Re-Use / Zero Waste

ACTIVITIES

**19** Recycle

ACTIVITIES

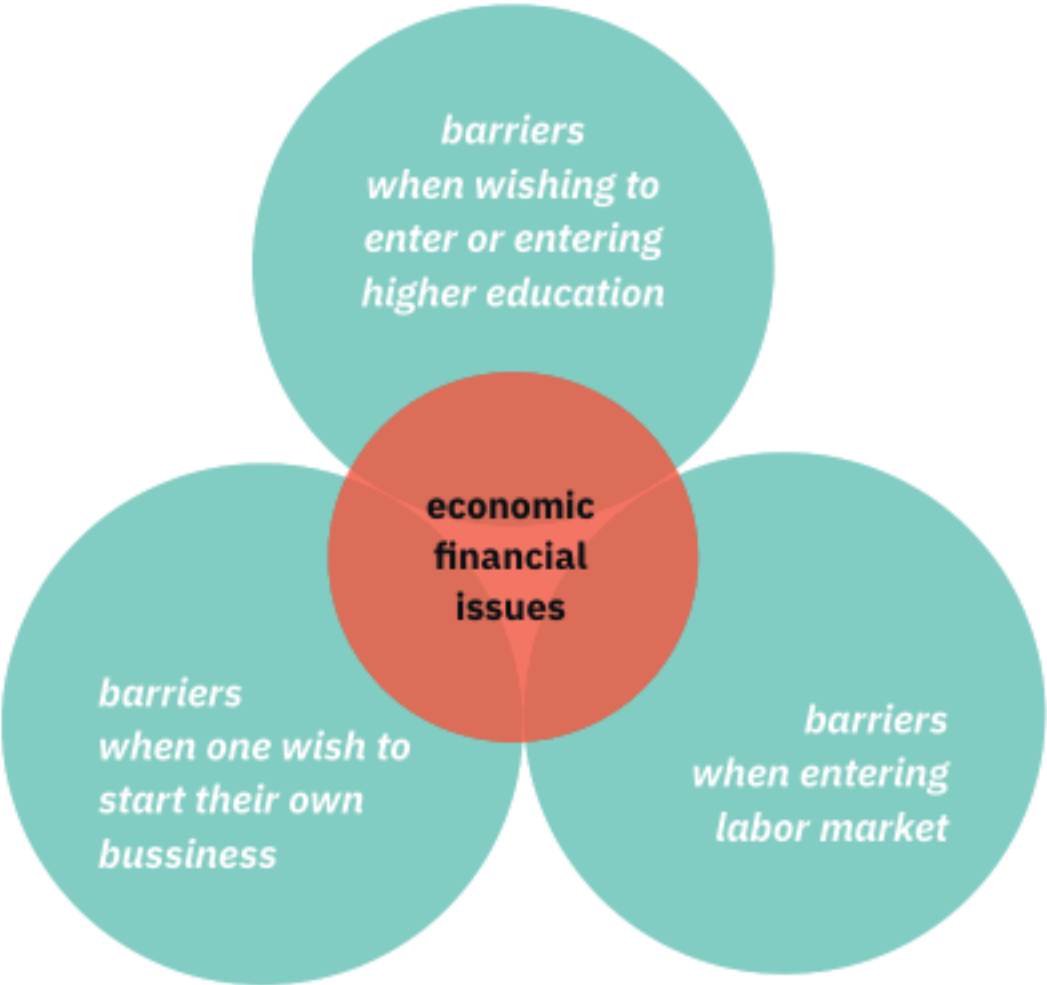

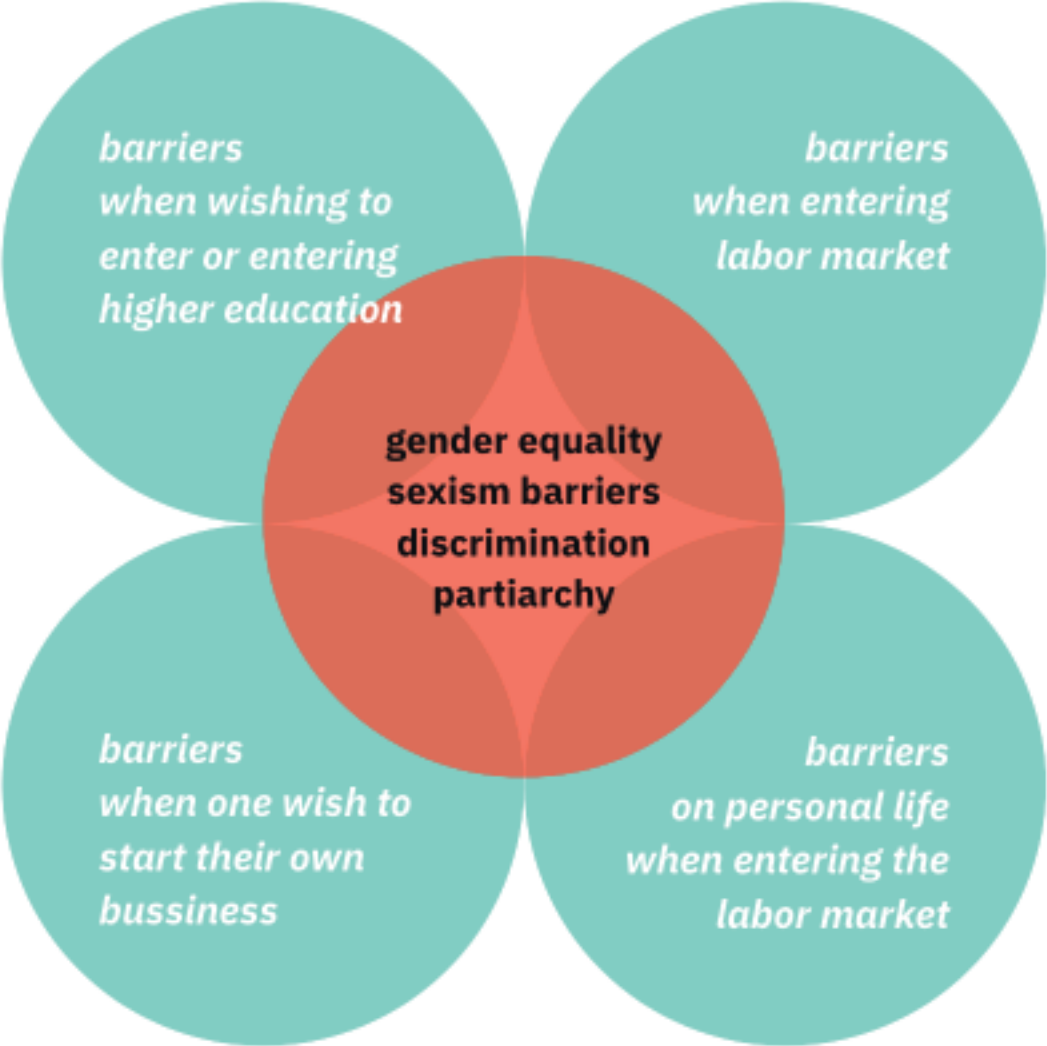

**19** Climate Change  
Energy Reduction

**08** Don't know

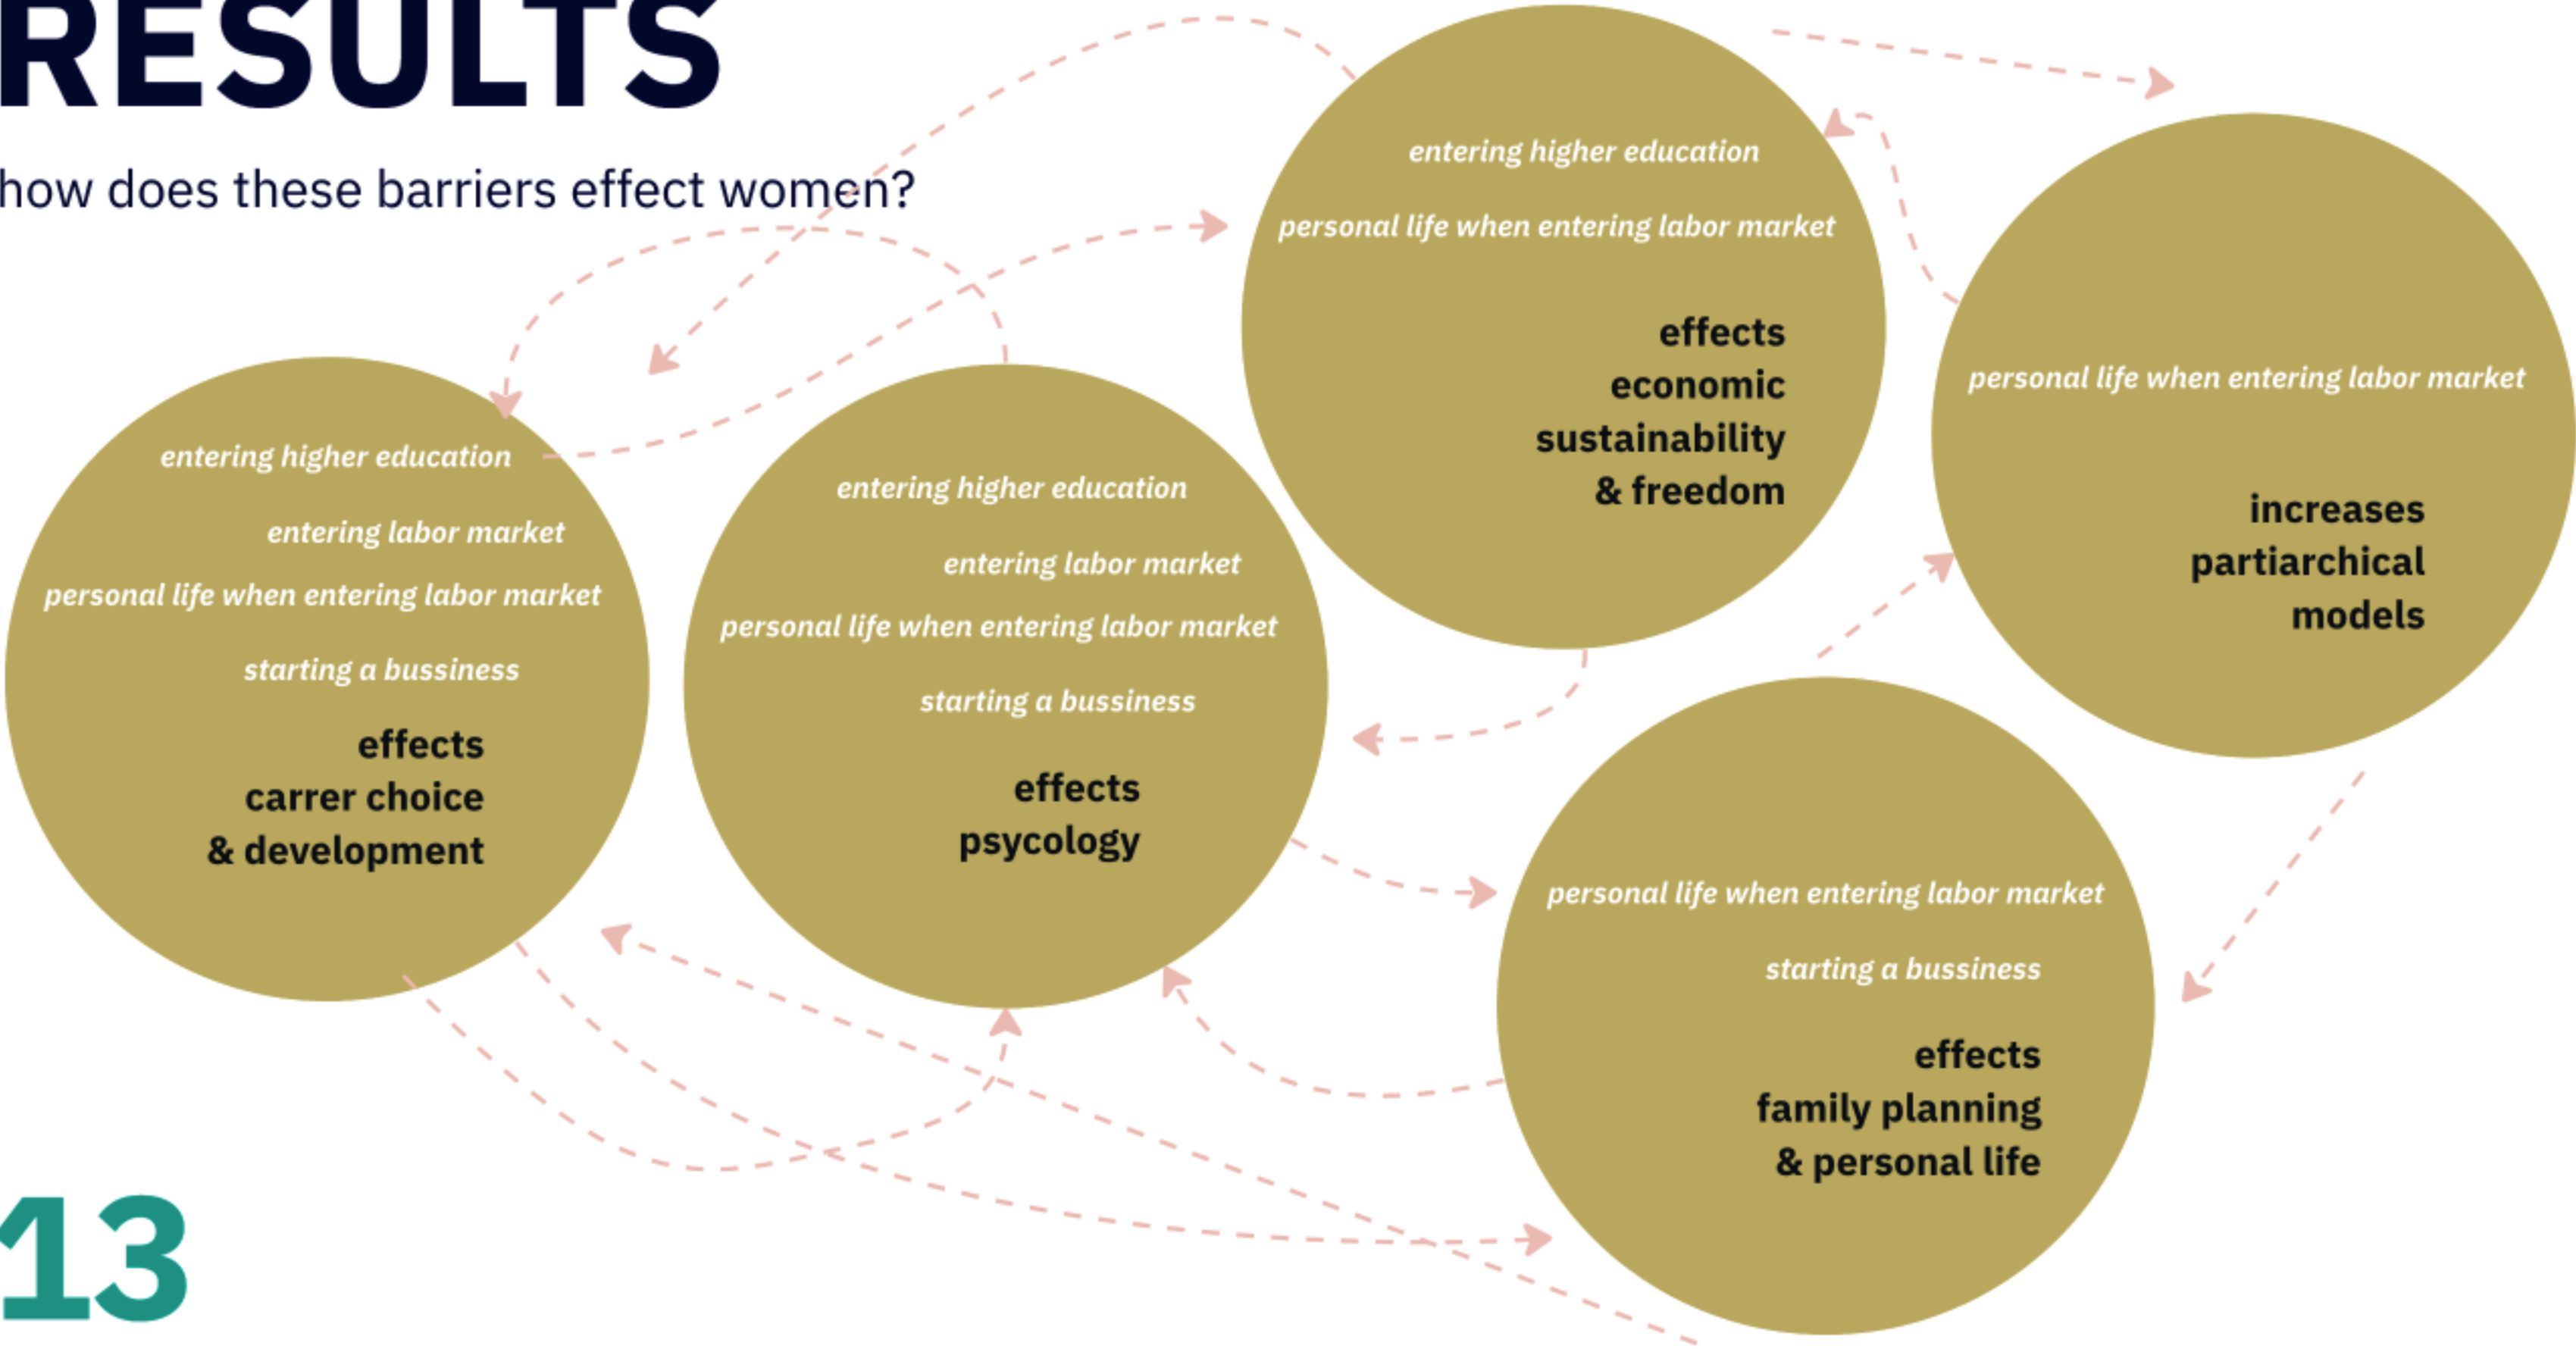

# BARRIERS

overlapping barrier patterns

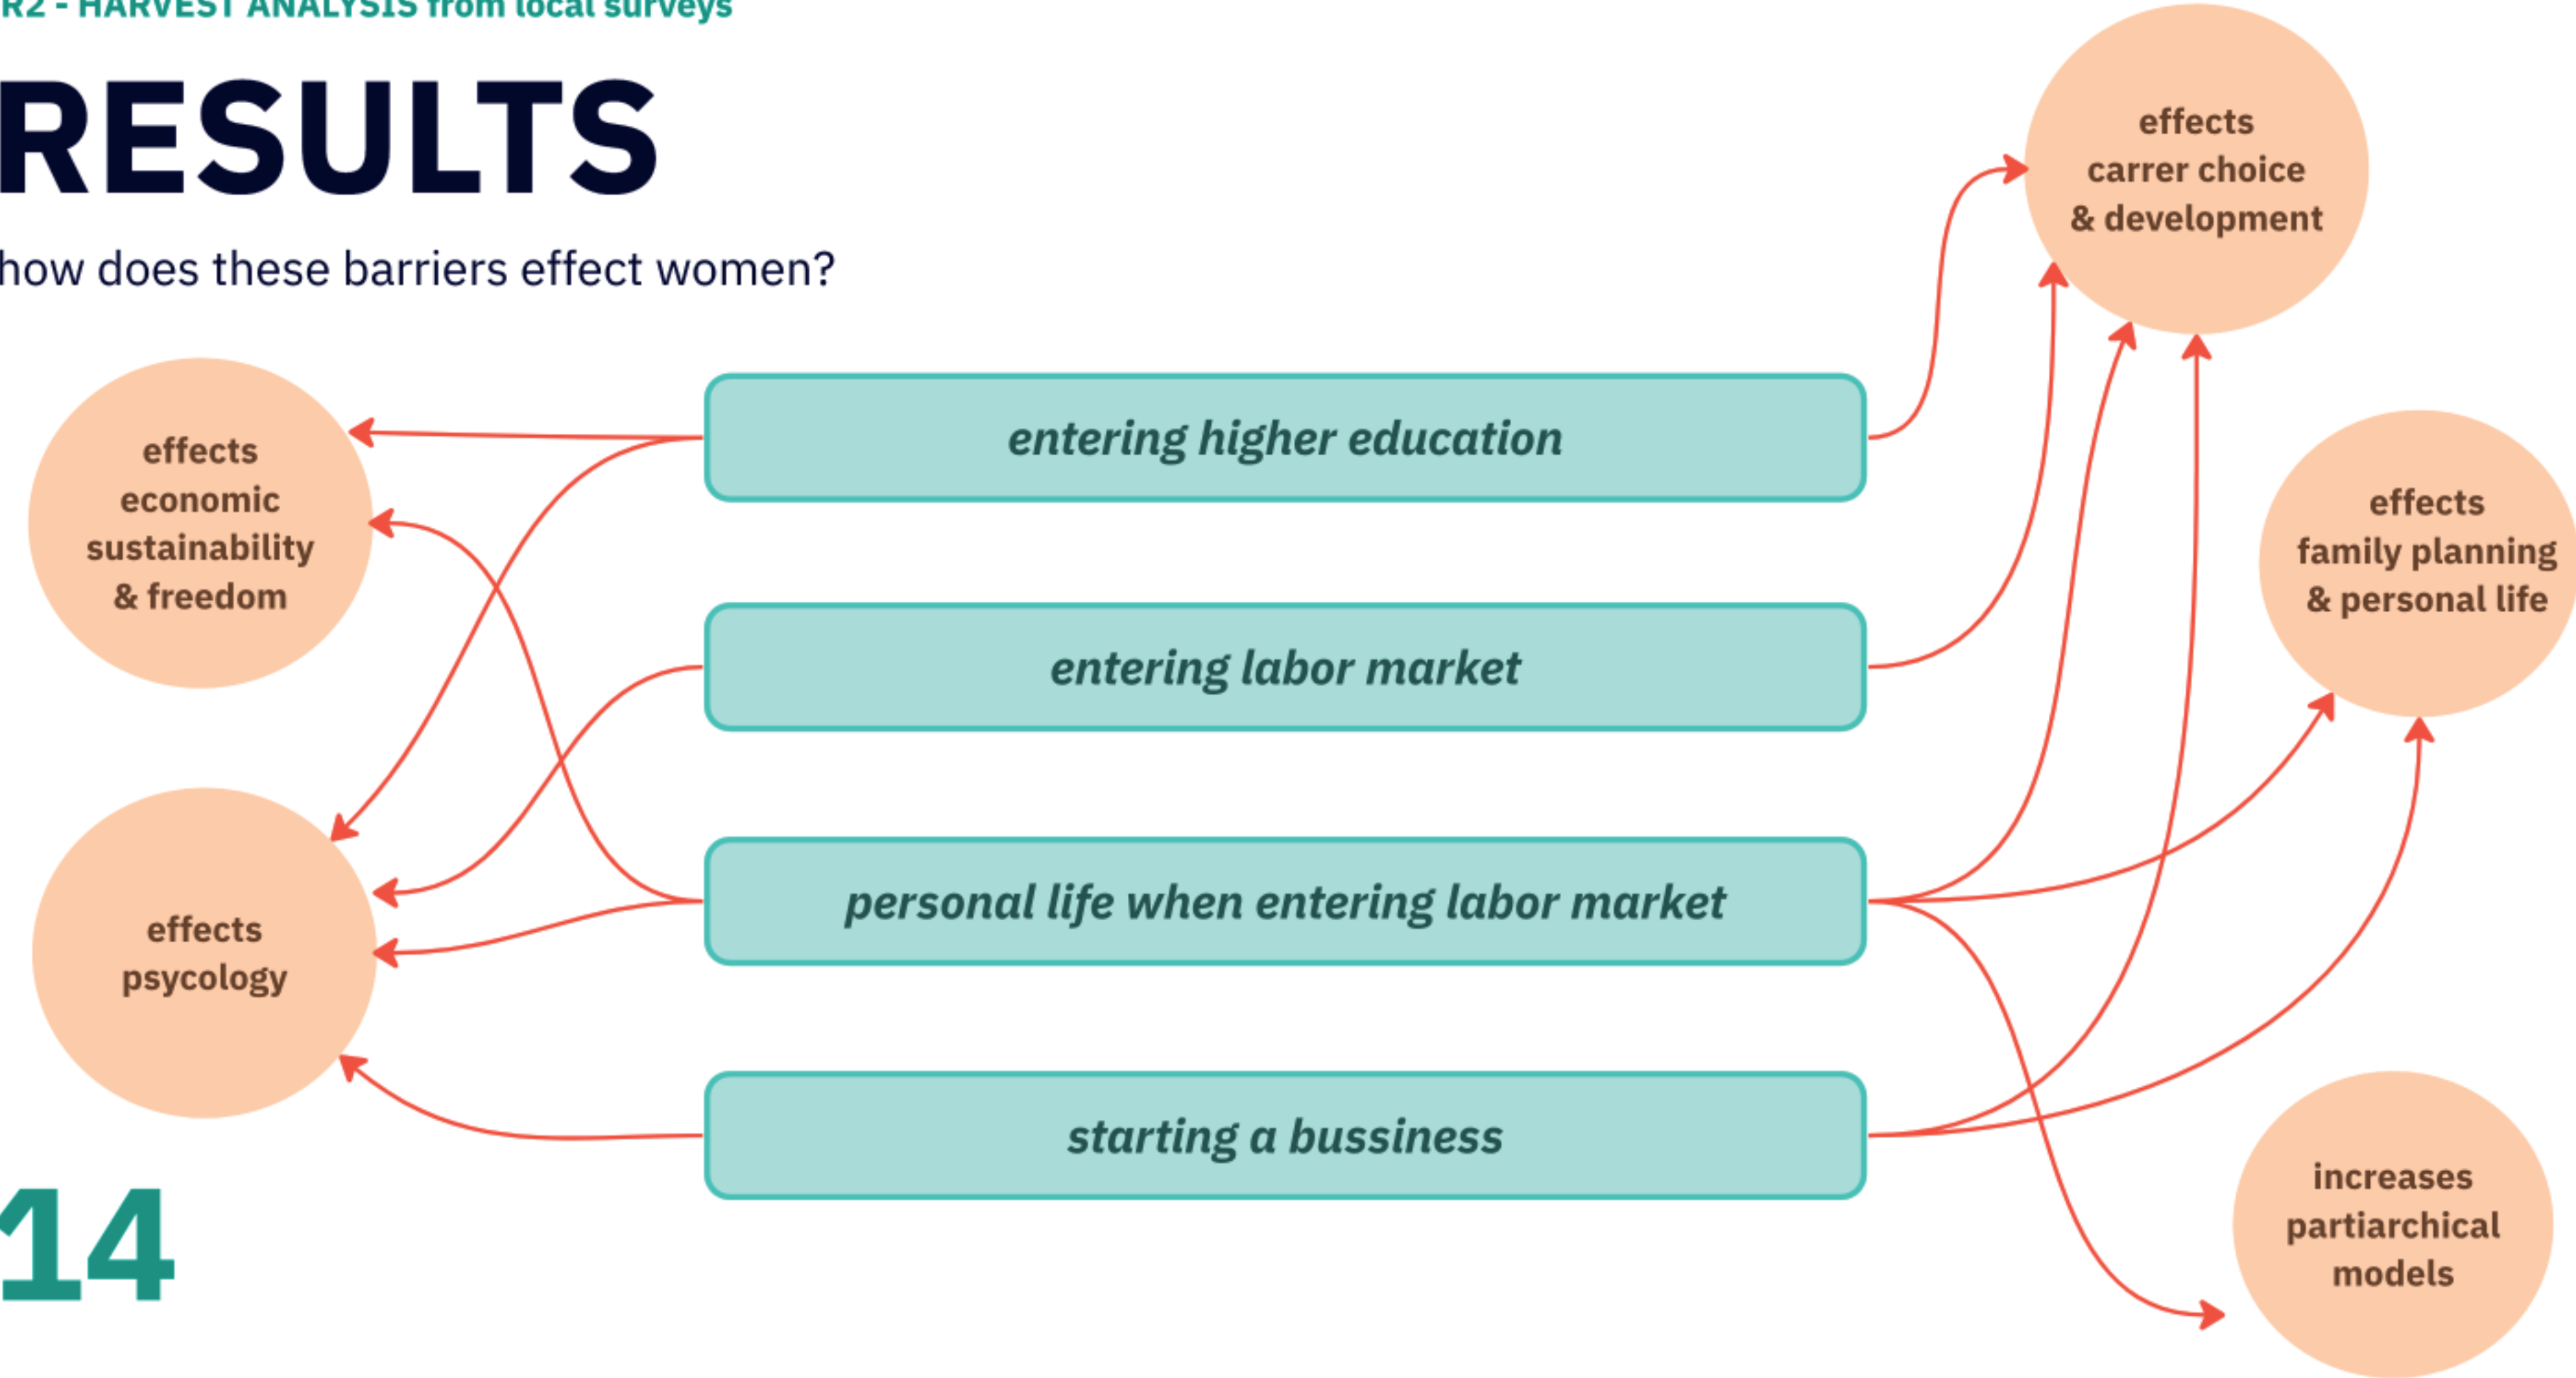

# RESULTS

how does these barriers effect women?

# RESULTS

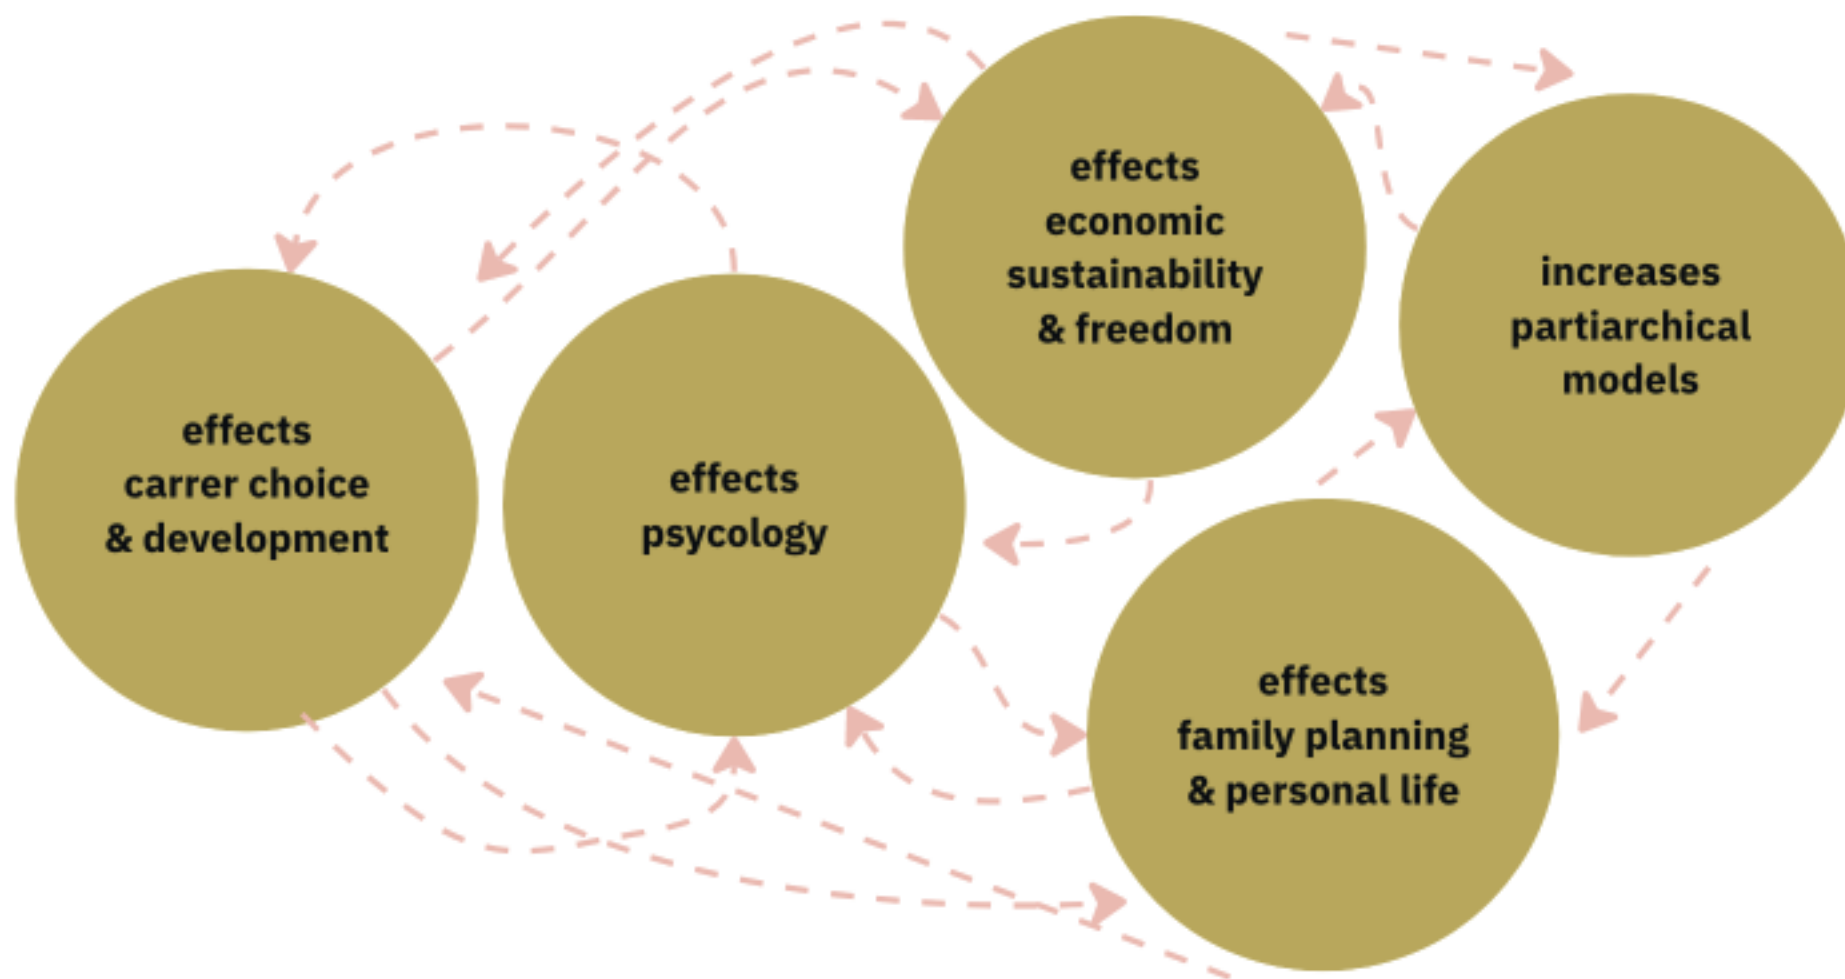

how does these barriers effect women?

# IDEAS pattern

what should we work on?

15

The answers indicate the need to work for/on:

## Advocacy

most common for sociocultural structures and law transformations

## Organizational Coordination

more common for creating supporting activities dealing with all effects of barriers

## Raising awareness on gender stereotypes

most common for women in labor market and when starting their own business

## Opening space for discussion between specific groups

most common for work within family structures, workplace, academic environment (eg involve men, share the effects of certain behaviors etc)

## Platforms where women support women

most common for inspiration (create rolemodels) and sharing experiences (in family structures, workplace barriers, academic discrimination & assaulting etc)

## Information / Education / Empowerment

most common for labor market (eg inform about rights, practise/learn new skills, etc)

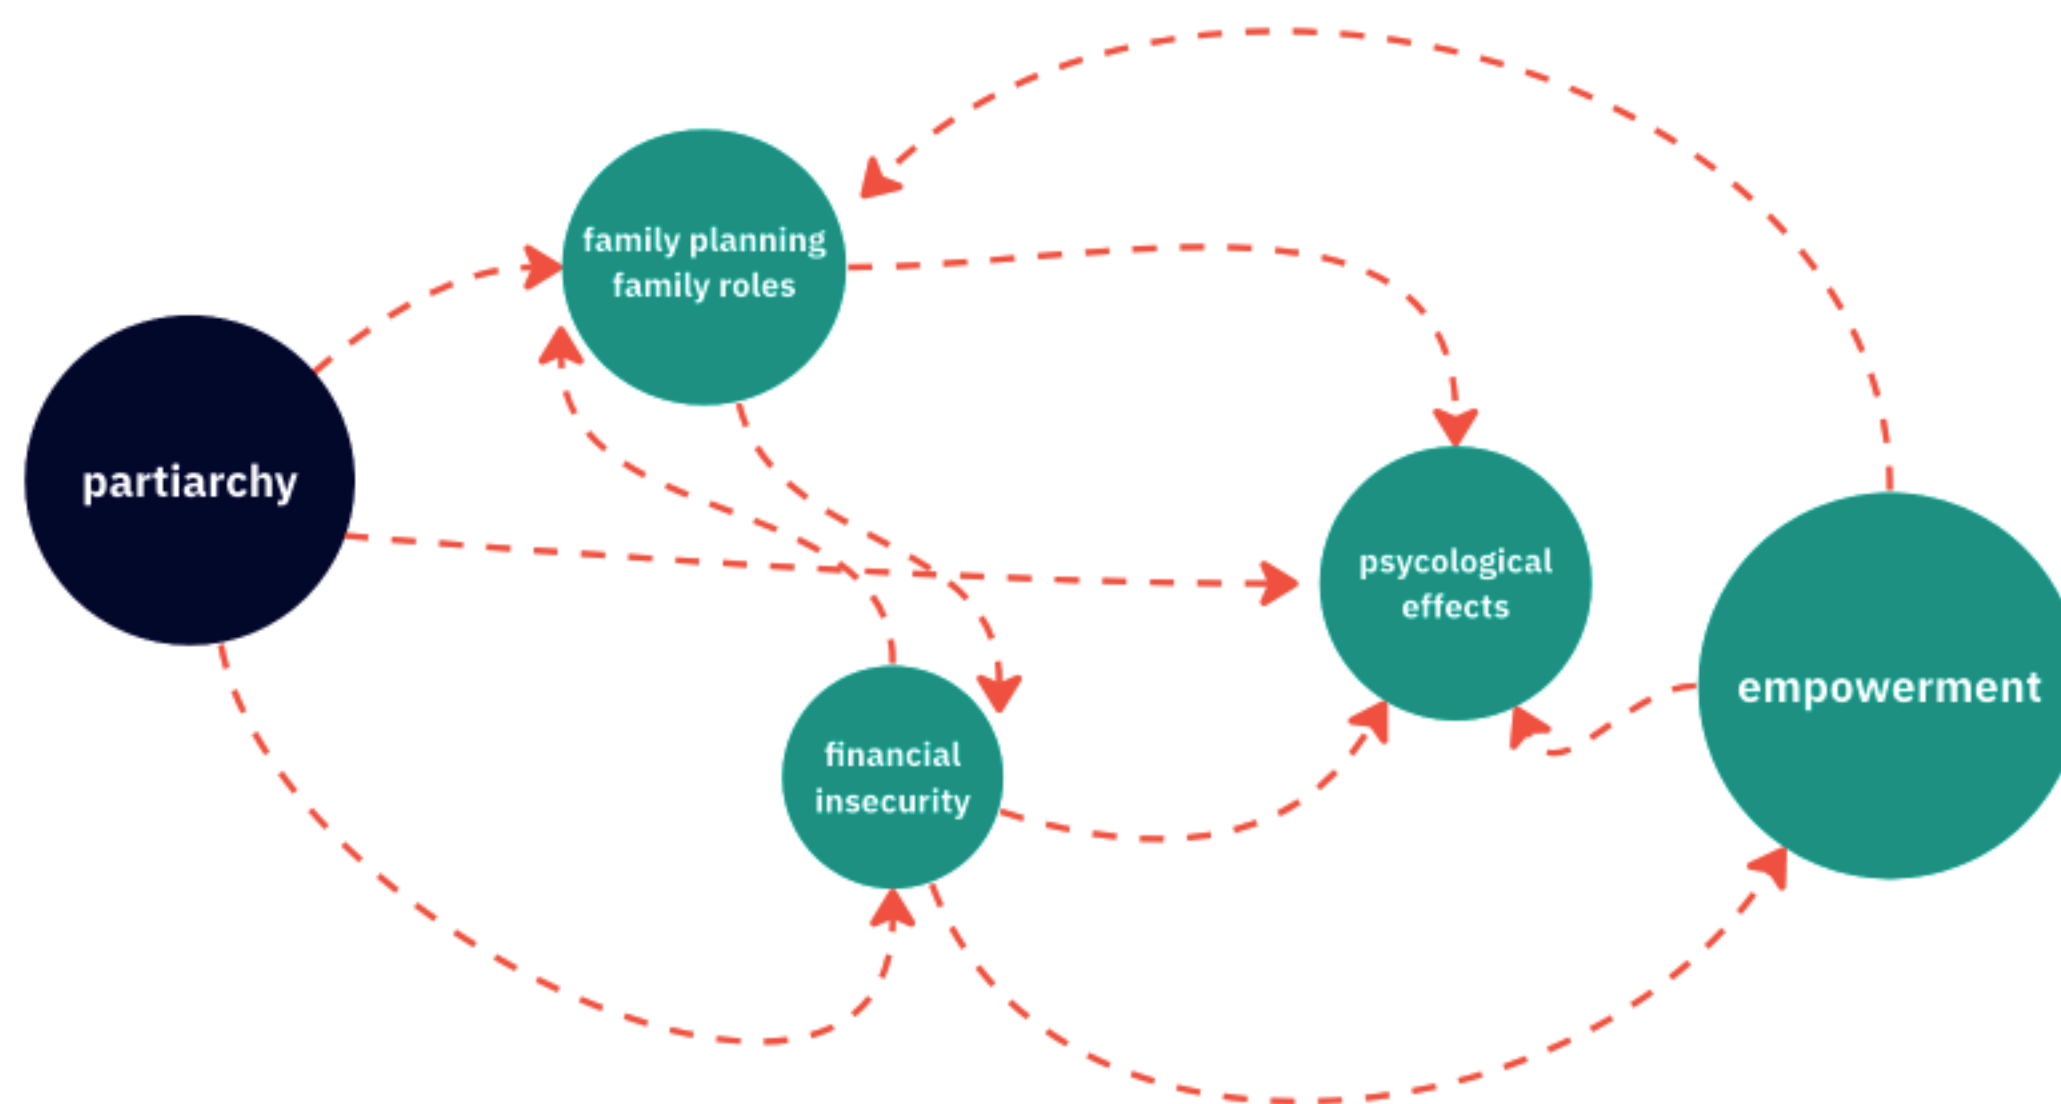

## Supporting the development of a healthy system at home

most common when family planning and homestead management

# IDEAS pattern

where should we focus?

16
